Dear Ms. Brenner:

Subject: Response to November 1, 2005 letter

File: Georgia-Pacific Fort Bragg Sawmill, 90 West Redwood Avenue, Fort Bragg, CA  
Case No. 1NMC462

I received your November 1, 2005 letter, which was in response to my October 27, 2005 letter to Ms. Mary Walsh. I understand from your letter that your firm is representing the Georgia-Pacific Corporation (G-P) with regard to the G-P Fort Bragg sawmill site.

In your letter, you stated that G-P requests the opportunity to participate in any informal review of the acceptance of G-P's proposed work plan. We will notify G-P of any request for review. Any informal review is solely within the discretion of the Executive Officer. Correspondence should be directed to Tuck Vath for initial review.

Also in your letter, you requested clarification regarding whether our approval of the proposed work plan would be considered "final". Our action in this matter was the acceptance of and concurrence with the proposed work. It would be improper the use the term "final" when addressing the acceptance of a work plan. You may consider the acceptance "firm" in that no formal appeal process exists and the staff decision has been made.

If you have any questions, please contact me at (707) 570-3767 or [CHunt@waterboards.ca.gov](mailto:CHunt@waterboards.ca.gov).

Sincerely,
